

Water Professionals International has been serving its membership for over 50 years. WPI is your program's connection to the certification world, voice for international certification issues, and resource to build lifelong, professional relationships. Our members are the center of WPI's commitment to the water industry.

We invite you to join this partnership between certifiers, industry organizations, operators, and trainers that work each day to advance water quality and integrity, and promote certification as a means of protecting public health and the environment.

ASSOCIATE MEMBERSHIP IS A GREAT FIT FOR...

- Professional associations, educational institutions, trainers, and consultants that provide education, training, contract operations, and/or technical assistance in the water industry.
- Utilities that operate a water treatment facility, water distribution system, water laboratory, wastewater treatment facility, wastewater collection system, or wastewater laboratory.
- Other organizations with a stake in the water industry.

Membership Benefits

REPRESENTATION

Associate Members are part of the At-Large Division with full nominating and voting rights. Individuals representing Associate Members are empowered to run for the At-Large Division Director position on the WPI Board of Directors.

ONLINE OPCERT PROGRAM DATABASE

This resource is at your fingertips under the CERTIFICATION tab of our website gowpi.org. The database contains more than 130 programs from around the globe organized by state, province/territory, or certification category. If you're a certification contact and need to have your program's information updated, please send your request to: wpi@gowpi.org.

ANNUAL CONFERENCE

Associate Membership includes discounts to WPI's Annual Conference, 'Innovation in Certification.' IIC is your opportunity to network with fellow industry professionals from across the globe.

NETWORKING

Connect with our membership of professionals from 49 U.S. states/territories, 12 Canadian provinces/territories, many Canadian First Nations and U.S. tribal entities, as well as many Eastern European, Caribbean, and Middle Eastern countries/territories.

THE DIRECTORY

Your organization's membership includes representation in The Directory, our members-only guide of certification contacts.

THE CERTIFIER

The Certifier is WPI's source for industry news. We provide educational & inspiring stories about professional operators, water industry experts, volunteerism, and other water and wastewater treatment related topics. The Certifier provides up-to-date information and news about the water industry and how our members and operators are making a difference every day.

Applying for Membership

Associate Membership is not required for certification by WPI, and does not confer any type of credential. Dues are \$250 USD per year. Applications must be approved by WPI's Chief Executive Officer and Membership Committee Chair. To have your application considered for membership:

- Complete the application form on the reverse side of this page
- Submit an electronic or paper copy of the application to the WPI office along with dues payment in US dollars
