

Examination Hand Score Request Form

A hand score request is handled promptly upon receipt, ahead of our lineup of scoring. To request a hand score, the individual may send \$35.00 U.S. in check or money order to WPI with the request in writing (form below). A copy of the original scan sheet (photocopy or fax is acceptable) or original electronic responses will be used to re-score the exam.

PLEASE NOTE: The scoring procedure is very precise. The scanner is very sensitive and any missing data or double-marks are flagged and personally checked by the scoring staff before reports are run. Since WPI (formerly ABC) began in 1972, we have **never** had a score change due to hand-scoring. However, if you still wish to request a hand score of your answer sheet, please send your request to WPI at the letterhead address above.
