NON-REGULATORY CERTIFICATION PROGRAM MEMBERSHIP

WPI is your organization's connection to the certification world. Non-regulatory membership fills a void in the industry by providing the resources non-regulatory programs need to keep their operators certified.

NON-REGULATORY CERTIFICATION PROGRAMS
Governmental, municipal, or provincial agencies, or their designees, that do not have jurisdiction to administer environmental certification or licensing programs and would like to have WPI run their employees or military personnel through the WPI Certification or Professional Operator Certification programs. Non-regulatory certification program class membership holds the right to nominate, vote, and hold office.

Membership Benefits

ABC TESTING
Nationally validated exams to support environmental certification programs are part of WPI's testing service, ABC Testing. Committees of Subject Matter Experts offer technical support to WPI and its members by carrying out our extensive validation process and serving as an appeals board for challenged questions.

THE CERTIFIER
The Certifier is WPI's source for industry news. We provide educational & inspiring stories about professional operators, water industry experts, volunteerism, and other water and wastewater treatment related topics. The Certifier provides up-to-date information and news about the water industry and how our members and operators are making difference every day.

THE DIRECTORY
Your organization's membership includes representation in The Directory, our members-only guide of certification contacts.

NETWORKING
Connect with our membership of professionals from 49 U.S. states/territories, 12 Canadian provinces/territories, many Canadian First Nations and U.S. tribal entities, as well as many Eastern European, Caribbean, and Middle Eastern countries/territories.

ONLINE OPCERT PROGRAM DATABASE
This resource is at your fingertips under the CERTIFICATION tab of our website gowpi.org. The database contains more than 130 programs from around the globe organized by state, province/territory, or certification category. If you're a certification contact and need to have your program's information updated, please send your request to: **wpi@gowpi.org**.

ANNUAL CONFERENCE
Program membership includes discounts to WPI's Annual Conference, 'Innovation in Certification.' IiC is your opportunity to network with fellow industry professionals from across the globe.
